Subject: Ongoing struggle by SNEA Kerala circle, regarding.

## Respected Sir,

Kind attention is invited to the ongoing struggle by SNEA in Kerala Circle which has been continuing since more than a month now. This continued unrest is not at all good for the health of BSNL keeping in view the point that Kerala has always been one of the better performing circles and has been contributing a lot in arresting the down fall of BSNL revenue. We are of the firm opinion that better employer-employee relationship has always been a trigger for growth of any organization and the past records of Kerala circle has always been a true and glaring example. It is the responsibility of the management to avoid situation which creates unrest among employees en-masse. This is possible only when, views of the associations should not be undermined and opinions of the representatives of the associations on growth and survival issues of BSNL gets equal importance and respect.

In view of the above and for the best interests of BSNL, I on behalf of AIGETOA request your kind intervention in resolving the Kerala impasse on the issues which relates to the survival and growth of BSNL in these circles. We strongly believe that there is high need to analyze and review decisions which appears to be anti-business and anti-BSNL and wherein wastage of resources is being felt prima-facie.

We request your kind intervention and extend our moral support on the issues raised by SNEA Kerala which pertains to the growth and survival of BSNL. We request you not to zero in a situation where all the executive associations are being forced to launch a common struggle on the issues

With Regards
