

ALL UNIONS AND ASSOCIATIONS OF BSNL (AUAB)

No: UA/2019/71

11.02.2019

Circular

To

All the circle and district secretaries,
of the constituents of the AUAB.

Comrade,

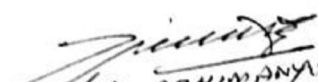

Hectic preparations are going on throughout the country for the successful implementation of the 3 day strike from 18.02.2019, as per the call given by the AUAB. Conducting meetings at the local levels, office by office and seat by seat mobilisations should be conducted for successfully involving each and every employee in the strike.

The AUAB has already given call, for conducting street corner meetings from 11.02.2019. This programme of street corner meetings should be organised very effectively. Besides, in the review conducted by the AUAB at the national level, the need to conduct more effective campaign among the general public, for mobilising their support for our demands and for the success of our strike, has been felt.

In view of the above, the AUAB has come to the unanimous conclusion that, the BSNL employees should conduct "Rallies With Their Family Members" throughout the country on 15.02.2019. The people of this country are the real owners of BSNL, and the survival of BSNL as a viable public sector company is very much in the interest of the people. Hence, the AUAB has decided to call upon the employees to organise this programme successfully, with a view to obtain the support of the people.

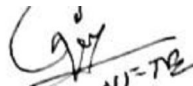

All circle and district unions of the constituents of the AUAB are requested to take all necessary steps for the success this programme. Since, the time available is very less, all the comrades are requested to take expeditious steps to launch the programme successfully.

Thanking you,
Yours fraternally,
