Namboodiri, Convener, welcomed everyone and made a brief introduction of the agenda items. The decisions of the meeting are as follows:-

- (1) The meeting whole heartedly appreciated the entire BSNL employees for making the 2 day strike, held on 21st and 22nd April, 2015, a total and historic success. The meeting also congratulated all the Unions and Associations for successfully organising the strike. The meeting further observed that the 100% involvement of the employees in the strike only shows their determination to ensure the revival of BSNL at any cost.
- (2) The meeting also observed that the 2 day strike has made a very good impact on the government, which became evident in the meeting held on 01.05.2015, between the leaders of the Forum and the Secretary, DoT. The entire team of officers of the DoT seriously listened to the views of the leaders of the Forum and have assured action on important issues.
- (3) The meeting decided that serious follow up action and persuasion should be made with the DoT, to ensure the timely implementation of the assurances given by the Secretary, DoT, in the meeting held on 01-05-2015.  
  
At the same time, the meeting called upon the employees to remain alert and vigilant, so that necessary pressure can be generated on the government, throughout the country, even at a very short notice, in case the issues are not settled within a reasonable time.
- (4) The meeting accepted the request of com. V.A.N. Namboodiri to relieve him from the post of convener. Com. P. Abhimanyu, GS, BSNLEU, is unanimously elected as the new convener. The meeting also felt the necessity to elect a treasurer, which will be done in the next meeting.
- (5) Next meeting of the Forum will be held at 1500 hrs. on 25.05.2015 at BSNL MS office.
