Sir,

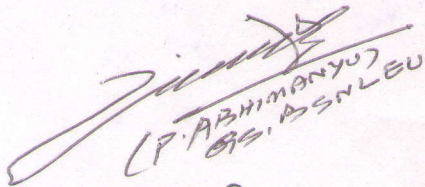

Sub: - Conducting demonstrations by the unions and associations of BSNL and MTNL, against the reported move of the NITI Aayog for making strategic sale in BSNL / MTNL - req.

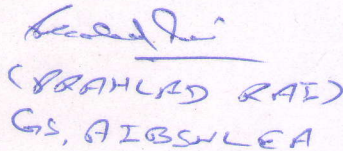

We are aware that the government has entrusted the NITI Aayog with the task of identifying the PSUs for disinvestment and privatisation. The media has already reported that the NITI Aayog has submitted to the government a list of 74 PSUs for disinvestment / privatisation.

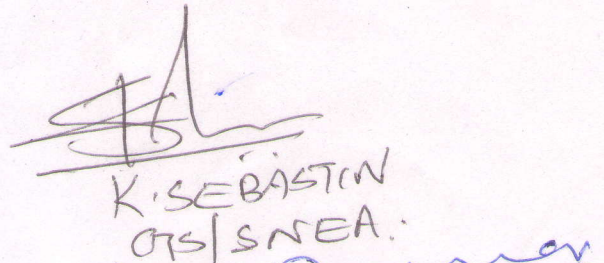

Further, it was reported in the media on 20th July, 2016 that, the NITI Aayog is proposing for strategic sale in BSNL and MTNL. The clarification issued by the NITI Aayog in this regard is not convincing. Under these circumstances, the unions and associations of BSNL and MTNL have decided to conduct nation wide protest demonstrations on 03.08.2016, to express opposition to the reported move of the NITI Aayog for strategic sale in BSNL / MTNL. It is also hereby informed that the unions and associations of BSNL and MTNL will be compelled to give call for intensified forms of struggles, if the proposed strategic sale in BSNL and MTNL is not dropped.
