

BSNLCO-LWE/31/3/2022-LWE/68

Dated 16.09.2022

To

Chief General Manager
All Telecom Circles, BSNL.

Subject: Saturation 4G coverage of Uncovered Villages through USOF – reg.

BSNL has taken up the issue for early provision of EB connections at sites under Saturation 4G coverage project.

USOF has asked BSNL to explore making arrangement similar to what the other TSPs are doing in the field for faster completion of work and has forwarded the copy of agreement made between M/S Bharti Hexacom Limited and Meghalaya Power Distribution Corporation Limited.

In this regard, the USOF letter no DDG(SP)/USO/DoT/Uncoveredvillages-Part(1) dated 14.09.2022 is being forwarded for your kind information and necessary action on similar lines wherever required, so as to ensure the successful implementation of projects within stipulated timelines.

This is issued with the approval of PGM (LWE-Projects).

Enclosure : As Above.

Subject: Saturation 4G coverage of Uncovered Villages through USOF-reg.

Please find the copy of agreement made between M/s BHL and Meghalaya Power Distribution Corporation Limited regarding taking the power connection for towers to be installed **(Annexure-I)**. In this agreement the responsibility of construction of power line from nearest available pole to the tower site has been given to the Telecom Company which will result in faster completion of work.

2.The undersigned is directed to refer the subject matter and request that similar arrangements may also be made by BSNL for early provisioning of EB power at the sites of the **Universal Service Obligation Fund (USOF) supported scheme to provide Saturation 4G mobile coverage of Uncovered Villages.**

3.This issues with the approval of competent authority.
