Sub:- Re-verification of all GSM Service Connections and Services provided on these service connections.

During CM Review meeting the CMD, BSNL has directed to carry out following activities regarding GSM service connections:-

1. Re-verification of all GSM Services Connections provided to officers/officials working/transferred/retired and ensuring that the service connections working are provided only as per Rule. In case of Officers/Officials who have been transferred /retired, their service connections need to be regulated as per departmental guidelines only.
2. Services provided on service connections may also be re-checked and re-verified to check the services provided(ISD, International Roaming etc.) as per their eligibility only, and if any service is provided beyond the eligibility of the officer/official that must be charged and its recovery must be ensured by the concerned unit.
3. It may also be ensured that GSM Service connections may not be the part of exempted category and outstanding against the GSM Service Connections must be recovered from the concerned officer/official.

Circle wise status report in respect of above may be submitted to this office on email id dgmmcm@gmail.com by 20/05/2023.
