CM APPL. 30106/2022 (Disposal of writ petition)

The Court takes note of the contents of the present application in terms of which the respondent BSNL has apprised that it no longer proposes to transfer its mobile towers to BSNL Tower Corporation Ltd.

In that view of the matter and since nothing further would survive on the writ petition, it shall stand disposed of.

The Court however grants liberty to the petitioners to initiate proceedings afresh, if circumstances so warrant.

The date of 13.12.2022 shall stand cancelled.
