Dated: 21.05.2014

To,
The CGMT/IFAs
All Territorial Circles
(Except Karnataka/Maharashtra/
Punjab/Gujarat/Andhra Pradesh Telecom Circle)

Sub : Merger of CMTS accounting unit - Reg.

This has reference to the above subject. In this connection, it is intimated that the competent authority has approved the merger of CMTS division with the SSAs; hence no separate accounting unit (SSA/Business Area) will be created in ERP-SAP for CMTS. The generation of Trial Balance for CMTS will be done through Profit Centre as the same have been created for various segments of business. All the assets, Inventory, etc which will appear in the books of CMTS division at Circle Level (centrally) will be transferred to respective SSA/BA wherever these are physically located before the cutoff date in legacy trial balance itself. The HR data of CMTS employees who are working in different SSAs but are getting salary from CMTS division at Circle level (Centrally) will be transferred to respective SSA/BA. CAPEX budget estimate for CMTS will be prepared by respective units (SSAs/BAs) and Circle office will distribute CMTS CAPEX budget accordingly to respective units (SSAs/BAs). Similarly, SSAs/BAs will prepare BE/RE for CMTS OPEX expenditure and the availability of the same will be handled through Commitment items in SAP.

In Post GO Live Scenario, Circle CMTS unit will form part of Circle office Business area. The operational guidelines issued by GM (CIT) vide letter no CIT/8-10/2013/ERP dated 22.01.2014 which are equally applicable for all Circles is enclosed.

General Manager (RA/ERP)
