Sub: - Renting out vacant space in BSNL Buildings to Reputed Private Organisations
Ref: CROP-2020 Policy

As per the CROP-2020 renting policy, in addition to Public Organisations and Banks, the spare built-up space can also be leased to Reputed Private Organisations (RPOs) provided they satisfy the eligibility criteria as laid down in the policy. Moreover, call of EOI with wide publicity is a must before renting out to private organizations.

In order to avoid any future litigation with the tenants or other complications, the concerned officials may be advised to be extra cautious while renting out spaces to RPOs and due care should be taken to ensure that the process integrity is maintained. Moreover, the conformance of bidders/clients to the eligibility criteria and guidelines mentioned in the policy should be scrupulously checked before leasing.

This is issued with the approval of the competent authority.
