All Communications  
to the General Secretary

To,

Respected Shri. Jyotiraditya M. Scindia ji,  
Honourable Minister of Communications and DoNER,  
Government of India, Sanchar Bhavan,  
Ashoka Road, New Delhi 110001.

**No. SNEA CHQ/GoI/MoC/Corr/2025/Thanks      Dated 26<sup>th</sup> December 2025.**

**Sub: Extending Profound Gratitude and sincere thanks for continuous valuable guidance with strong technical & financial support extended to BSNL.**

**Respected Sir,**

We, the *Sanchar Nigam Executives' Association (SNEA-BSNL)*, respectfully submit that SNEA is the sole majority representative association of nearly 29,000 serving executives of BSNL, who are holding key and critical portfolios across the country, with organizational presence in each and every district of India.

SNEA is the association with the highest membership among all Associations/Unions in BSNL and, with the support of the majority of BSNL executives, has been democratically elected as the Majority Association with 52% of the historical votes.

**Sir, on behalf of the executives of BSNL, I wholeheartedly convey our sincere thanks and profound gratitude to the Government of India in general and to your honour, the Honourable Minister of Communications and DoNER, in particular.**

Sir, under your valuable and continuous guidance, BSNL has achieved several remarkable milestones, including the recording of net profit for the first time in the last 16 years, the development of indigenous 4G equipment, and its inauguration by the auspicious hands of the Honourable Prime Minister of India and so on.

The launch of the fully indigenous 4G Swadeshi Network stands as a historic milestone not only for BSNL but for the entire nation. It is a testament to the visionary initiative of "Atmnirbhar Bharat", which has now been translated into a proud reality in the field of telecommunications.

This achievement is not merely a technological advancement; it is a powerful symbol of national pride, resilience, and self-reliance, placing India among the select five nations globally developing next-generation mobile networks. It fills us

with immense pride that this achievement has been realized through BSNL and other Indian PSUs, elevating BSNL to new heights beyond our expectations.

We were deeply motivated and inspired when the Honourable Prime Minister of India graciously recognized the efforts of BSNL and its workforce in building the indigenous 4G network at various prestigious platforms, including the public rally from Jharsuguda, Odisha; the NDTV World Summit held at Bharat Mandapam, New Delhi; and the India Mobile Congress at Yashobhoomi, Dwarka, New Delhi. This recognition is the highest honour for the BSNL workforce, and we shall remain lifelong grateful for the same.

**This remarkable progress has been made possible through the tireless day-and-night efforts and unwavering support of your honour as the Minister of Communications and DoNER.**

Sir, BSNL and its workforce are fully committed to rising to this historic occasion and shall continue to dedicate themselves to providing world-class telecom services to every corner of the country.

We firmly assure your honour that the officers of BSNL shall devote their complete energy, dedication, and commitment to strengthen BSNL and uphold the great trust your honour has reposed in BSNL and its workforce.

We are confident that under your precious guidance and continued support, BSNL will emerge stronger than ever and play a pivotal role in India's digital transformation and overall national growth.

Once again, we express our sincere thanks and profound gratitude to your honour for your unwavering support to BSNL and its workforce.

With profound respect, gratitude and high regards,

Sincerely Yours,

**Mahadev S. Adasul,  
General Secretary  
SNEA BSNL, New Delhi.**
